Updates for October 16 Joint AAAP/SSP Meeting At Duquesne University

In the recently published October issue of the Guide Star, we had some incomplete and incorrect information about the joint AAAP/SSP meeting on **October 16** (Duquesne University). Most notable, the lecture given by Professor **Ralph Milliken** of Brown University will be in Mellon Hall (Laura Falk Lecture Hall), not the Bayer Learning Center. The Technology Forum with the CSC's Robert Marshall will be in the Bayer Learning Center's Wolfe Lecture Hall. Here are all the updated details:

- The "Technology Forum" Speaker's Presentation will be **5:30 PM** in Wolfe Lecture Hall located in Bayer Hall.
- There will be a "Social Hour" from **5:30 to 6:30PM** in the City View Café. This is on the 6th Floor of the Student Union.
- Dinner will follow at **6:30 PM**, also in the City View Café.
- The Business Meeting will start at **8:00 PM** in the Laura Falk Hall located in Mellon Hall.

- The Technical Program Speaker's Presentation, featuring Dr. Milliken, will start at **8:15 PM** in the Laura Falk Hall.
- The deadline for dinner reservations is Thursday, **October 10, 2013** at **Noon**.
- To make reservations on-line, click [Click here to make your reservation online](#)
- To make reservations over the phone, call **412-825-3220** Ext. 212 to reach Shana Tokarski, SSP Administrative Assistant.

As noted in the Guide Star, AAAP members are invited to show our appreciation to the SSP for their generous financial donations each year. Besides, the lecture on the Curiosity Rover is sure to be fascinating.
