

NICHOLAS E. WAGMAN OBSERVATORY

N 40° 37' 33.6" (40.626°)
 W 79° 48' 45.3" (79.813°)
 Elevation: 1330 feet

The Wagman Observatory is owned and operated by the Amateur Astronomers Association of Pittsburgh, a non-profit organization.

Located on a high hilltop in Deer Lakes Regional Park, just outside Russellton, the observatory offers a variety of astronomical activities to the general public.

Additional information is available on the Association's internet site: www.3ap.org.
